

RIVIERA SERENADE

We are a trio of classical musicians based in the Torbay area, available to play at weddings, or any other special occasion in Devon and beyond.

Our aim is to create the perfect atmosphere for your special occasion: our programme can be tailored to your requirements and we can help you plan your day by making suggestions as to suitable music for church or civil ceremonies, receptions, charity functions, or any other special occasion.

We play a wide range of music, from well-loved classics to contemporary popular sounds. You can find more details about our repertoire overleaf, or visit our website where you can hear samples of us playing.

Our trio consists of piano, violin & 'cello, but we can also perform as a duo (violin & piano, 'cello & piano or violin & 'cello) and we are also able to invite other musicians according to your requirements, for example a singer or string quartet.

If there is a particular piece or song you would like us to perform, and it is not already in our repertoire, we can arrange and perform it to make your occasion truly individual and memorable.

If your venue does not have a piano, we can bring a high-quality portable piano for our performance.

Ave Maria - Bach/Gounod
